ATM depend on the physical security monitoring.

d copy of the report. Matching BO report out put with the data. Confirm report delivery as per no reminders from CBE

Approved designations should be in place.

Proper segregation of duties & independency of functions should be adhered to.

Any claim should be reported to insurance provider with documents and ensure payment on time

Annual training plan is maintained to enroll the mandatory trainings to all staff

Annual reviews are usually conducted for all credit names that have approved credit facilities

ntegral part of the portfolio review/analysis in order to ensure that all requirements are in place ,and any material changes to credit facil File requirements may include some of the following items as appropriate:

1) Verify that business strategy, target market and customer segment are identified.

Annual DR Test 8. Ensure availability of support contracts and appropriate SLAs

al Assessment of Departments roles and repobonsiblities to align with the Risk Governance Framework.

according to the related trigger and handing over the case/cases to Remedial Team on earlier stage on best effort basis.

ed to the transactions & regular report with customer's transaction amount is being sent to AML team to for reviewing the transactions t Restriction of Accounts for clients with aged alerts

All users requests form presented in accordance to maker/checker basis and normal approval cycle

All telesales calls are recorded

Monthly quality check by telesales head & Team leaders is conducted on the recorded calls

all sales staff shall sign ADIB Code of conduct

pordinators) to be deactivated unless permission is adequate matching business need and role; external communication is to be detern

All reversal transactions should be performed after obtaining proper approvals.

between concernd departments are in place and properly communicated by department heads to ensure proper handling for business

d contracts are reviewed by Compliance unit and signoff is obtained prior to implementing to ensure CBE compliant

- staff awareness, induction training, field visits, customers' and staff feedback

ction not drawn down in that time frame, the facilities/transaction must be re-approved by the original level. Credit Admin and EW Office

rized Signatories that added to the Signature Booklet have to be approved by the approved Matrix as per Policy.

All job descriptions are reviewed annualy and updated with HR

eviwed by the Department Manager & approved by Head Of Department before sending to the Payable Departments.

All DSU users' access permissions on the system (s) is inquiry only. Users' access permissions are to be reviewed Semiannually.

nanually either during the on-boarding process, before opening the account or during the lifecycle of the customer's relationship.

wed by SME Risk head at least annually to ensure the correct use and eligibility of the credit officer

every 12 months to ensure that all file requirements are in place, and any material changes to credit facilities have been identified and a File requirements may include some of the following items as appropriate for the unit:

1. Current financials.

Alco approval on applied rate whenever there is a change in margin

Adherence to the staff gifts process

abid to all CBE circulations received from compliance e.g coridor rate change, DBR,ect

hen send to fulfillment team to proceed with excel sheet to proceed with account opening request through AMC team and once done s

- 9. Latest financials are obtained & analyzed.
- 9. Extended credit facilities should be sharia compliant.

that the obligors in the program meet the credit program requirements

Review of all obligors with ORRs 7 - 9 excluding PS names ensuring sufficient triggers and follow-up. above is done by Risk department periodically ensuring sufficient monitoring and proper decision making.

8. Group facilities are aggregated

nented when customer calls are conducted and objectively address credit risk issues (should strictly comply with the policy).

8) The Risk Rating process is identified and its approval status.
